[Email Bill](#)

Bill was one of the first teachers in the United States to implement Singapore Math[®] programs and lesson study in a U.S. public school, beginning in 1999.

Formerly the district-wide math helping teacher in the Scarsdale Public Schools District in New York and Math Coach at School No. 2 in Paterson, NJ, Jackson is currently Co-Director of the Center for Lesson Study at the Harlem Village Academies in New York City.

Bill offers specialized training in Singapore Mathematics, Japanese Math, Common Core Standards, and Lesson Study for teachers, administrators, math specialists, curriculum administrators, and special education teachers.
