Johnette Roberts is a National Board Certified Teacher in Early Adolescence Mathematics and Certified Elementary Mathematics Specialist. She served as the coordinator of “The Singapore Math[®] Project,” a collaborative effort to implement Singapore Math[®] curriculum at three Title I elementary schools in a district just north of Baton Rouge, Louisiana from 2008-2012. In 2011, achievement scores for third grade students improved by 90%.

On a mission to help empower children to excel in mathematics, Roberts provides training and ongoing support, including parent workshops, classroom observations, and instructional coaching to public, private and charter schools.
